

**An non-profit organization
worthy of your support!**

Habitat has built more than 300,000 houses around the world, providing more than 1.5 million people in more than 3,000 communities with safe, decent, affordable shelter. Now, our new Habitat chapter is building homes in Hudson County, in Jersey City and Kearny. We need your help and financial support today more than ever.

Our Fourth Annual Golf Outing on September 10, 2009 at the beautiful Bamm Hollow Country Club, one of Monmouth County's finest private golf courses, is an excellent opportunity to support our Habitat chapter.

Sponsorships are available at various levels and are described in this brochure.

Speaking on behalf of our dedicated board and staff, we would certainly appreciate your support of this wonderful event and our very worthy organization.

Because we are a true non-profit organization, contributions to Habitat are generally tax deductible in accordance with federal and state law.

Thanks!

Jean Quinn, President
